Dear Sirs/Madam

We hereby wish to acknowledge receipt of R15,000-00 for your generous contribution to our Organization.

We greatly appreciate your financial assistance, which will help us to fund the feeding schemes which are becoming more overstretched as the need in the community is rapidly growing and escalating due to the pandemic.

At least 75% or more of the recipients are 100% black South African citizens in these areas as they are hardest hit by unemployment which is worse now during the Covid-19 pandemic.

We render services in most of the smaller towns within the Cape Winelands, parts of the Overberg, Breedevalley, Swartland and Kannaland areas.

Yours sincerely
